NT, NT, NT repeated several times.

JEF Is that an expression of love?

NT Yes

JEF Does this have anything to do with
the second coming of Jesus as told
thru the entities in New York?

NT No

JEF Is there more to come from another
quarter?

NT Yes

JEF Were any of you with us in Spain
later associated in any other capacity
in another reincarnation?

NT Yes

JEF Is ~~thats~~ it your purpose to fill us
in on other reincarnations?

No answer.

JEF Does any of this go back to Ibrahim?

Yes

-2-

5/18/76

JEF Do you have any remarks concerning
that?

NZ, NZ, NZ

This is not what you should ----
(not completed)

JEF Tamud, can you take control again

NT, NT, NT

JEF Should we discontinue this today
until you have a chance to get
organized?

NT Yes

7/16/76

JEF Is anyone there to speak to us today?

Yes

JEF Who would like to speak?

NT You have been gone a long time. We have been keeping track of you. We are glad to hear from you today.

JEF We are certainly glad to hear from you Tamud.

NT, NT, NT -- We would like to watch(?) over you more. We would like to hear from you more often. We know that sometimes this is not possible either way.

(Go through alphabet)

JEF Does this mean you would like to have a response from us?

NT Yes

JEF We have gone through many changes in both of our lives lately, any comments on that?

NM, NM -- You are so right to realize that changes are taking place. There is a purpose to all of this which you will understand one day. You will find out when you are ready. We are so ---

NM, AM, AZ, NM, AT, AZ says that he is going to --

JEF Back to Avilla and Spain, I assume you have ready with the story as I put it together in Arizona.

No.

JEF More of the story to come?

No.

JEF Are there some errors in our story so far?

Yes

JEF Tell us what the errors are?

Yes

AZ tells us that you have assumed some things which are not true. The way

is to wait now. Go over it again and look for discrepancies. We will go from there.

7/16/76

You can do this some other time.

NZ says you have done well with it so far but agrees with AZ

JEF Are the historical facts basically correct?

Yes

JEF Is it true there are little details here and there that need correction?

Yes

JEF Any detail lacking on subject of major importance?

Yes

JEF Is there any misinterpretation of initials with description, i.e., is everyone described properly?

Yes

JEF Is there anybody else to be added as personalities to the story?

No

JEF To correct details of the story - has something been badly misinterpreted or something in the story line that has to be corrected?

Yes

JEF Sequence of events?

Yes

JEF In other words, the events as recorded are okay but sequence is not?

Yes

JEF Are you ready to tell us something elementary information as to why this story has been told.

Yes. NT wants to say that this story has been told to you for this reason. First it should be understood that you are here now because of this story. You were both on the track before but could not reach it before the end of your life came. You both are finding the true meaning of life and love in your own ways. You are both making excellent progress and we are overjoyed. NT, NT.

7/16/76

JEF The book of Miracles given to me by Judy Skutch as philosophical training that seemingly is going to the source, is it not. That this should be our principal/^{informative}source to keep us on the path?

NT Not entirely.

JEF Masters of the Far East, supplementary to the Book of Miracles?

NT Yes

JEF Quotes of Jesus in Masters of the Far East are correct, am I right in that assumption?

NT Yes

JEF With Miracle books, Masters of the Far East, TM are those the three principal techniques we are to emphasize while we are on the path.

NT Yes

JEF Then too I assume as we continue our progression, it is your desire that we keep in touch with you via this board?

NT Yes

JEF Which of the books would be best for Lynne to pursue -- two textbooks and Teacher's Manual

No answer

JEF Cannot answer question?

NT No

JEF Possibly when I go through these books should I be Lynne's teacher?

NT Yes

JEF In seeking answers to specific questions to our life here, are those things we should concern ourselves with or rely on intuition on asking you for advice?

NT, NT -- no answer
time

JEF For example, one/you told me to sell the ball club?

NT That was not me.

JEF Is it your purpose to guide us spiritually from day to day as you see fit

7/16/76

without directing our personal lives in subjective relationships, is that correct?

NT Yes

NZ We are here to help you any way we can.

JEF Are you in a position to ask questions of you?

NZ Yes

JEF Is it your purpose of perfecting Avilla story or spiritual development as of now?

NZ Now

JEF Are you aware of the spiritual lesson I have for today?

NZ Yes

JEF Purpose to enlarge on these lessons if we were to ask you?

NZ No

JEF Lesson today "I am the light of the world and as such I extend forgiveness to all my adversaries and by extending forgiveness to my adversaries I therefore am totally forgiven myself and therefore find complete freedom without any guilt or animosity which is to lead to complete peach or 'heaven on earth.'"

NZ No

JEF Will you help with concentration and comprehension on spiritual ideas as they come up?

NZ Yes

AT, AT -- We were there all the time but we didn't communicate with you. We are glad to hear from you again. We will be close by.

7/23/76

LD When in their lives did Maria and Juan meet, right after they left Avila?

NT Yes

LD Did the meeting of Juan and his brother take place in Segovia?

NT No

LD While imprisoned at Salamanca?

NT No. ~~This took place~~

LD This took place just before his death in Alba? Was Maria deceased at this time?

NT Yes

LD More toward end of story, NT, in Segovia correct?

NT Yes

LD They were in Segovia in hiding for three years before they were found. In and out of prison total of 7 years in Segovia.

NT Yes

LD Question about portrait of Juan by Maria done in prison. Still in existence somewhere. No answer for where it is now. It is in a book somewhere

Book by E. W. Trueman Dicken, Crucible of Love has story of Juan and Maria in it.

Note -- Juan de la Cruz books look up.

Father Nunez Martinez finished work started at Alba after death of Juan and Maria.

JEP Publications in English on Juan and Maria.

NT No

JEP Are they available in Spanish not translated into English?

NT Yes

JEP Have there been any direct works by Juan ever translated into English?

NT Yes

JEP Under name of Juan de la Cruz?

NT Yes

JEP To
/Further our development in this life what use of this material can we make to contribute to our development?

NT You may use it as a guide or direction.

JEP For the most part, the story is fairly complete and the principal use of it from here on

out is the study of this thing carefully and relate it to our own lives?

NT Yes

JEP Regarding Alcazar in Spain, are you going to give us any comment on this?

NT No

LD It wasn't you who alluded to Alcazar?

NT Yes

JEP Are the conclusions in comments in Part II generally correct?

NT Yes

JEP What further development can we anticipate?

NT N/A

JEP Is there any other life concerning our past that you are eventually going to lead us to?

NT Yes

JEP Is that your next activity?

NT Yes

JEP Do you want to make a start on that as of now?

NT No

LD Are you trying to assemble all of the principals of that story now, is that true?

NT Yes

LD You want to keep the lines open?

NT Yes

JEP Do you have any suggestions of our lines of endeavor of to this?

NT No

JEP Since ~~it~~ is my function to be Lynne's teacher in this particular case, I would ~~if~~-----
from your last answer that it is entirely up to me to continue the probing device?

like to know

NT Yes

JEP Is there any part of the plan to alter the communication in some other form of contact?

NT Yes

JEP Is this to come to us psychically?

NT ~~XXXXXXXXXX~~ Yes

JEP Does this mean that both of us will develop psychically?

NT Yes

JEP Should we seek to develop ourselves psychically?

NT No

JEP How else will we find an alternate means of communication without seeking it?

NT It will come to you naturally during your everyday life. Don't be impatient.

JEP Are the daily lessons I am now studying ~~km~~ out of the Book of Miracles a correct procedure at the present time?

NT Yes, for you to develop and teach.

JEP ~~I~~ should pursue the course in Miracles completely as one of the avenues of development?

NT Yes, then teach Lynne.

JEP ~~xxx~~ Since the people at Columbia have been the media through which the book of Miracles has come to this side and since they are with Judy on the West coast now and since they have asked Judy on numerous occasions for me to contact them, is this the proper time for me to call Judy on the West coast?

NT Yes (*Did try several times - no success*)

JEP Will out of that contact come the essence of further development?

NT No

JEP Will subsequent contacts with the people at Columbia and Judy contribute to our developmental program?

NT Yes

JEP Since the Book of Miracles seemingly indicate that ~~really~~ ^{reality is} outside of the substance of time is to be ~~at the end of the course~~ this the total goal of the course, ~~in Miracles~~ and at that point actually so-called miracles happen to the participants, correct?

NT Yes *is it? ... it seems to be*

JEP Today the incidence of the two people that I ran into was one of those so-called miracles?

NT Yes

JEP That being the case should I go ahead with my plans to go enter tomorrow?

NT Yes

JEP In the time sequence when will you Tamud tell us the next story of another existence?

NT When I get all of them together.

JEP Before the summer is over do you think I should see some of my friends at Chesterfield?

NT No

LD Why?

NT You are beyond that now, you don't need any more evidence, do you?

JEF In connection with all of my ~~past~~ planning the foundation has had several ----- experiences in parapsychology, is the direction that's now being developed by Brendan O'Regan to be the ultimate for the Fetzer Foundation?

NT N/A

JEF The planning for the Fetzer foundation is important to our development and fundamental part of planning and effort to leave a continuing program available to develop others, it seems important that we have a complete sense of direction.

NT I agree

JEF Do you have any suggestion as to any new directions that may be pursued?

NT N/A

JEF I take it all we can do in the meantime is pursue the course we are on and eventually a program can be developed out of experimental evidence is that correct?

NT Yes

JEF A while ago you indicated that we should be patient. Through this existence will our patience ultimately be rewarded by getting answers to these many questions?

NT Yes

JEF Tamud, I have a rather deep impression that you do not consider it your prerogative to any great extent to discuss the affairs that affect our present lives and the attendant problems to them. Would it not be helpful if we could discuss problems even though we do not ask you to give us definitive answers?

NT Yes

LD Is it that you are not allowed to interfere with our present lives?

NT Yes

LD Your purpose then is to teach us through our past lives is that correct?

NT Yes

JEF In the conduct of our personal lives and ~~make~~ the effort to solve life's problems we therefore must rely solely and totally upon creative intelligence, divine mind, a holy principle or holy spirit for these answers to come from within through reflex action, correct?

NT Yes

JEF Tamud, is the experience of bright lights in proportion with spiritual progress?

NT N/A

JEF TO LD -- Apparently his only function is that of past lives. No interpretation is that correct Tamud?

NT Yes

JEF Have you been directed as the sole functionary in this capacity pertaining to the two of us?

NT Yes

JEF Do you care to enlarge upon that?

NT N/A

JEF Your direction to give us these stories concerning ourselves comes to you from the same source through which we find available in our present lives, correct?

NT Yes

JEF Is it beyond our capacity to understand, to ask questions, concerning where you are at the present time and what kind of a world you inhabit as of now?

NT Yes

JEF It was told to me in London that you were to speak for Ibrahim, does that still hold?

NT No

JEF Was Ibrahim a superior of yours at one time in one incarnation?

NT Yes

JEF Dealing solely with Egyptian story?

NT Yes

JEF I think then that Ibrahim was not part of the Spanish story, correct?

NT Yes

JEF to LD -- Such a valid communication going here I hesitate to disturb it and ask for someone else?

NT Yes

JEF Give us a narrative statement. I am structuring questions and facts on our relationship but you have been so close and so firm in your methodology of communication that it would be helpful at least to have a narrative statement from you. May we have such a statement from you now?

NT More will be here next time for another story.

LD You are getting close to having this ready, correct?

NT Yes

LD Do you have anything more to say?

N/A All done.

8/20/76

JF Tamud, are you there?

NT Yes

JF It seems you are ready to start the next order of business in another incarnation?

NT Yes

JF Okay, where are we to be headed this time?

NT NT says you are to --

JF A period of time before Luxor and Spain?

NT Yes

JF 10th or 11th century?

NT No

LD Are you trying to get us to guess the century?

NT Yes

JF Is this Tamud?

NT Yes

JF Start before Luxor?

NT No

JF After Luxor you have in mind?

NT Yes

JF Was it before Spain?

NT Yes

JF Between 2,000 and 500 years ago? Near 5th century after Luxor, after that?

NT Yes

JF 600 A.D.

NT Yes

JF Closer to 700 A.D.? Yes. 800 A.D.? Yes 900 A.D.? Yes 1,000 A.D.? Yes 1100 A.D. Yes
1200 A.D.? (all the way up to 2,500 A.D.)

JF If you are an imposter -- get out

JF Are you the Tamud designated by Ibrahim to talk to us about Egypt?

No

JF Author of the Book of Miracles, can you come in?

May I ask who you are?

I am the Son of God.

JF May we have something more evidential?

NT, NT, NT

JF May I ask you, are you with Jesus at the present time?

NT Yes

JF We are hear to listen to the wisdom from your side, will you please guide us what we should do next?

NT, NT

JF Will you carry on from now please?

NT We are going to tell you about the time when you were in ----

NM, NM, NM

JF Are you having trouble finding a word to translate into English?

NT Yes

JF Name of general area that exists now on earth (geographical area)?

NT N/A

JF Are you going to take us back to Atlantis or Mu?

NT Yes

JF General area now is Pacific Ocean?

NT Yes

JF In the vicinity of Atlantic Ocean also?

NT No

JF If we are talking about Mu, we are going back many thousands of years, is that correct?

NT Yes

JF Can you approximate time of how many thousands of years ago?

NT 15,793

JF Is that a correct figure?

NT Yes

This means that since we have no knowledge of names and places these will have to be indicated by you.

NT Yes. This needs your full attention as this is very complicated. You were here at Mu so long ago that it seems like forever.

JF We will do everything possible to cooperate to get the story completely and accurately.

NT, NT-- You, John, were a young man who was (NZ, NZ) extremely self-oriented and made people unhappy around you. You were more intelligent than most so you have the advantage. You were not (NZ, NZ)

JF Jesus, are you there, would you like to continue

N/A

JF Makes no difference to me, we just want the truth. If there is something negative we want to hear that too, for there is a purpose in it. Whatever you can tell us we would appreciate (NZ, NZ)

JF What is it that you have to say NZ

NZ N/A. (we asked at this point if it would help to break this off for a few minutes)

NT What about 20 minutes?

JF Do you wish us to meditate or change our routine entirely?

(At this point we took 20 and meditated and started up again stronger than ever)

JF Are you there Tamud?

NT Yes. Here we go to Mu/ We are going to show you what happend there. We have been getting ourselves and you ready for this. Now to begin. This story will take longer than the other two but it will be worth it. We will introduce the principals first and then try to tell a story about each one. Thwn we will show how they all came together.

NT Here is JN. JN was a man who lived on the west part of the continent, near UPY. He had a wife and three children. He was a doctor and a lawyer in his community.

JF Two professions?

NT You have to remember that this was a different kind of society thanf you are familiar with now. He was a very well know and respected man for miles around. He went to school in the town of QUV. At the time starting our story he is 46. NT, NT.

Now JN

AN I too want to tell you that we want you both to learn from this. Do you want to --- NA

NT We will go on then. The next one is CK from the south part of MU. CK is now at the start of the story 24 years old. He is single and going to school at UPY. He is from the town of OXY. He will go to school for 10 more years. NT, NT.

NT Now we have GZ. GZ is going to school also and is a girl. GZ is 21 years old and is going to learn astronomy and religion. GZ is a very beautiful woman and intelligent. She loved the out doors and often went for walks. She was not interested in men as she had so many other interests. She was not going to stay that way for long. NT, NT

NT Now we have TU. TU was an old man at this time and he was living in the hills near XNO. He was a wise man or psychic as you say now. TU had lived so long he knew everybody it seemed just as he saw the future too. NT, NT

NT Next we have NX. NX lived with the family of GZ and knew them quite well. NX was not a member of the family but just seemed to be therewhen anyoned needed her help. NX was about 47 at this time. NT, NT

NT Next is HN. HN is now about 13 and is the brother of GZ. More about him later.

JF Are we both in this family just mentioned?

NT No.

8/27/76

JF Tamud, I know we have come to you rather abruptly but you wanted^{us}/to come to you more often whether this is convenient I don't know; ~~we~~ would you like to proceed with the story you were telling about the other day?

ANMNZYNNXN, etc.

NT, NT

JF How are you today?

NT Okay

JF Are we in the right posture now to continue to ask some questions and you could tell us the story?

NT Yes

JF Did you hear our remarks concerning the fact that Jesus was with you the other day?

NT Yes

JF Would you care to identify that for a fact?

NT Yes

JF I am asking that in the sense that Jesus as a personality was with you, I know that you are constantly with Jesus in the sense that we are always with him; if there is a physical side of your existence was Jesus present in person with you?

NT Yes

JF The other day I wasn't certain of identification, should I at some future time ask him personally some questions?

NT Yes

JF Is Jesus with you now?

NT Yes

JF Jesus, would you care to identify yourself?

JC Yes

JF Please would you give us some positive identification?

JC I am the Son of God.

JF In studying the Book of Miracles I have been more ~~p~~ impressed than ever with the efficacy of your program on earth/ what you have initiated is certainly instrumental in abolishing guilt and fear and sin. May I ask what your purpose is with the Book of Miracles?

JC The book of Miracles will show you the way to that which you are seeking.

JF

Would you mind giving us something concerning Judy and the people at ~~the~~ Columbia University? Is there anything you could tell us about them at this particular time?

JC

Yes (jumble)

JF

Tamud, are you still there with Jesus? Does Jesus wish to continue?

JC

Yes. The Book of Miracles will not be read widely at first. The influence will come later from those first few who have been included in it. You are both in that number. This will become very important to you both.

JF

Thank you so much elder Brother; we both thank you from the bottom of our hearts for giving us this step. The story of Mu will teach us more about our role in the Book of Miracles, am I right in that assumption?

JC

Yes

JF

We will try to absorb and learn all we can. Reality is actualy on the the other side?

JC

Yes

JF

Tamud, would you like to continue now?

NT

Yes. NT says you should learn about yourselves in the story as follows: When this took place you were both living on Mu. The time was early in the morning, and you were walking along a road in the country. (jumble)

LD

Call NT

NT

Yes. Lynne you were called J-A-M-N-I-A-Z (Asked for pronunciation like English "Janice.")

John you were called M-ALAMAZ. This is your last name. AMNUSTA, first name.

JF

Were we married?

XN NT

No. At the time you did not know each other. You were to meet later ~~within~~ when the rest of the principals came together.

(Much mumble, jumble followed)

NT, NT

This is not your fault today. Try tomorrow.

8/27/76

JF Tamud, are you there?

NT Yes

JF Do we have things in order, do you think things are ready?

NT Yes

JF We have had some difficulty with our names, good starting point, okay?

NT Yes

JF Okay

Nt Lynne's name was Janice. John's name was Arthur MATTAW. At this time Janice was in AXN and helped her family.

HN, HN

JF Does HN want to be recognized?

NT Yes

HN I want you to know that I am here to try to help with the story of MU.

NT Have you
NZ, ~~NN~~ NZ

OXN was the town where Janice lived. This was by the sea. Janice was only 9 years old now. At her house there were many names; she had older brothers and sisters. They were very happy and she lived with only happiness around her. Her father was a sailor and was gone long times away from them. When she was about ten he never came back from the sea. Her life changed quickly; it was not her wish to leave home but she had no choice. Her mother was very sad to break up her family. Janice then went to her grandmother's in OXN.

NZ NZ

Janice wanted to be with her brother's and sisters. When she was 16 she went to Nk. NK was a friend who was very close and wanted her to have a better life. She sent her to school for learning about art and music. This she liked and soon she was a star pupil.

Her life so far had been so humdrum that she finally blossomed.

NT says that's all for now.

JF Is Jesus there; does he have something to say?

NT Yes

JC ~~NNX~~ Wait for the day that you -- wait for your time to come.

9/2/76

JF Tamud, are you there?

NT Yes

JF How are you and our friends on the other side?

NT Yes, NT, NT.

JF Do you care to pick up where we left off?

NT We were talking about Janice. The time she went to school was her best time. She was very confident that life would be wonderful. She knew that a friend was in trouble so she helped. The friend was not able to help herself. When Janice was going (NJ, NJ) She took her friend with her. She went home to see her parents and she wanted to (NZ, NZ). Tell her friend to be wary of strangers. Her friend was very grateful for this was her only friend.

The story is now to take you to Arthur. He was now ~~xx~~ on his way to meet JN who was his wife: (corrected later) He wanted to see them and went home. They were glad to see him and they talked and laughed a lot at the homecoming. He had been away for a long time. He was now going to stay home for a long time. He was a man of great wealth (NM, NM)

NT At this time we are trying to decide how to proceed. (Keep getting triangle bit moving from "T" to "N" to "A.")

JF Triangle means with respect to human beings.

NT Yes

JF Janice and Arthur two parts to the triangle.

NT Yes

JF You are going to give us the third part.

NT Yes. The other part is the wife of Arthur. Arthur's wife is AW, "JN" still in the story. AW was not a good wife but was helpful in raising the children. This is why the triangle developed. We would like to tell you what you may want to know.

NT Janice did not have time for men but she and Arthur became friends when they met at a party in the MXA (JF guessed that must mean recreation hall or auditorium) where we heard the king speak on the problems of state. The people of Mu were very civic minded and concerned about these things. We want you to think about why this happened.

HN HN

HN Now I am ready (testing by moving back and forth across the board). The meeting was attended by (NM NM) JN.

JF Did we meet JN at the meeting and other officials of the government.

hn Yes. JN introduced you after the meeting. Arthur was about 61 years old. Janice was younger at 35. She had never married as she was too serious about her studies and found many interests in other ---

HN Yes

JF Something to do with civic life?

HN Yes

JF Was Janice a reformer?

HN Yes

JF A religious matter?

JF Governmental reform?

HN Yes

JF Was there a lot of governmental corruption in those days?

HN Yes

JF Was this Janice's principle concern?

LD Corruption the word we are seeking?

HN Yes HN wants

NT, NT We will be back tomorrow.

9/3/76

JEF Who is there?

NT NT

JF Resume the story?

NT Yes

JF Pick up where we left off?

NT Yes. At the time we were talking about the meeting that took place at MXA. (Interruption) At the meeting Arthur was not thinking about the problems of MU but his own life. He was not very content but seemed to be on the surface of things. At his age he thought he should be more knowledgeable. He didn't have the answers to life's problems. His wife was no help in these matters. He had everything materially that the people of his day and time had. Their life then was not much different than life in the U.S. today. This was how far they had advanced. Their minds, however, were lost in wanting the wrong things. Mu (was not very large) and was the resting place for numerous souls.

Janice wants to know how this happened. She is going to find out who knows the name of the victim so she can warn them and bring the corruptors to justice.

LD Is Janice psychic?

NT Yes. The story now goes to another place. This ^{is} on the far side of Mu (several hundred miles away). The main concern here is people and their relationships.

TNA (another triangle again). This is JN

JN was a kind man who found more happiness in his life than Arthur. He was a man who lived in (interruption) fear. (We had to guess fear, danger conflict) His way was too dangerous. His work was in conflict with his morals. He could no longer keep up with his conflict weighing on his mind. He soon sought the help of his uncle who lived alone. He was known as the wise man. He had helped before. He also knew the future.

NT, NT We will be back next week...

10/8/76

JEF Who is there today?

NT

JF We haven't seen you for quite sometime

NT Yes

JF Are you ready to resume story of MU?

NT Yes

JF Will you make a beginning?

NT Yes. We are here to continue the story. We will help you understand many things. We will try to make some sense. Will you be patient? The saga of Mu is very important for your development. When you were in Mu you were both very influential. You, however, could not stop the disaster to overcome it (Mu). Arthur was attempting to convince those in higher places to avoid what he was certain was coming. Janice, who was psychic, had seen it all very plainly and told Arthur what she had seen. This was the beginning. Janice was sure that it was true. She was very ---- cautious about whom she told and Arthur was sure this was so.

At the town of LNX, near the West coast of Mu, lived another person who became important in this story. This person was called (then movement went around and around in very strong circle).

JF Has circle got something to do with personality involved?

NT Yes

JF Person of tremendous power?

NT Yes

JF Person you will never forget?

NT Yes. He was called NAMZ. When he was in Mu he was very powerful. He was a leader of the people. He worked night and day for justice for all men. He went from one side of the country to another. He was totally for the people but he held no office.

I am NAMZ. I came to you to let you know that I am trying to get through to your people because your problems are so similar to ours. We were not able to solve ours but you will. We will guide you along the way. I will lead you on the right path. (NAMZ goes out)

NT Have you had sufficient evidence today?

LD Yes

NAMZ This is what you need to jar you loose. We will talk to you soon.

NT See you soon.

10/11/76

JF Are you there Tamud?

NT Yes

JF Ready to give us further information?

NT Yes

JF Okay, is Namz there also.

NT Yes. At the time of the story Namz was not very well. He was getting on in years and didn't get around much. He was still very powerful in leading the people. He went to the -----

JF Town, person, institution?

NT No

JF Political leader?

NT Yes

JF Did Namz go to NH?

NT Yes

LD Is it the name of a building, any building?

NT Yes. HN, a meeting place of his followers.

NMZ TU was one of those who was close to the source. TU went to the city on one occasion to see Janice. Janice was very happy to see him as she had many questions. Janice wanted to know about what was going to happen to Mu. TU was able to tell her exactly what would happen to Mu but she did not want to believe him. He was most sorrowful but realized the difficulty in believing about it. TU went home back to the hills. Janice told no one.

JF

What was our association at that time?

NT

We were brothers:

JF

We were blood brothers?

NT

Yes

NT

What I want to say is that you were attuned to the source then and very highly developed.

JF

Close to time of creation then?

NT

Yes

JF

Before so-called fall of man is that correct?

NT

Yes

JF

What was our evolvment at that time?

NT

We can't tell you that. We want to continue with your quest so that you can help others. We will help you in this project. This is your mission. The time has come. We will do what has to be done to carry this out. NT, NT. Go with faith in God and he will direct you to do what has to be done. The Scribe sends his love to you.

Friday, August 11, 1978

We were talking about the letter from C.L. Burdick and decided to go to Ouja for opinion ...

NT I think this is a good idea. You need some protection. This would be of some good. We will help you get it out. NT, NT...

JF Does this tie up in any way with Spain and Egypt?

nt Yes

JF Can you give us this tie up?

NT NO

To establish verification of the above dialog Lynne asked "Do you know who the Scribe is?" (The Scribe was mentioned by Ena Twigg as one for JEF to watch for.)

NT Gave initials AT (who was one of our friends in Egypt).

LD Then asked who AT's counterpart was in this life.

NT Gave the initials as "KK." (Confirmed as this being our friend from Canada -- Kenneth Killick.)

JF Asked about KK and wife in their employment situation.

NT This is being worked out.

JF Was he involved in the gold episode in Luxor?

NT Yes. This will not help. This you do not need to know now.

JF Should KK come to Kalamazoo, when?

NT Next month.

JF Will the mind control machine be developed within the next 10 years?

NT Yes

JF Is Gevins a source of development on this.

NT Yes

JF Is this one of the foremost projects of our time?

NT Yes

JF Will Dr. Yeager have a part to play with Gevins progress in program of investigation?

NT Yes

JF Will the work that Dr. Hardt is doing fit in with this?

NT Yes

JF Is this part of the plan that we should foster and try to develop through the Fetzer Foundation?

NT Yes

(over)

JF Does Judy, Harman and Jampolsky fit into this program?

NT Yes

JF Does work in Miracle material have a definite part of this development?

NT Yes

9/5/78

JF Did you listen to our conversation earlier today?

NT Yes,

JF Each of us working in our own vineyard, do you agree?

NT Yes, you have learned an important lesson. You are right.

JF Do you believe that IONS will endure?

NT No.

JF Is the work that Judy and Bill are doing to be carried on by them as a separate function?

NT Yes

JF You know I have never felt that IONS was on the right course, do you agree?

NT Yes. Are you taking this to HS?

JF My negative feelings may be inspired by HS but I am not sure. Can you tell me whether I have listened to HS about it?

NT You are doing better than you think. You will get better.

JF Is the land down in Arizona holy land?

NT Yes

JF Is the proposed meeting in November with Judy, Bill and Hubbard significant?

NT Yes

JF Will this meeting take place in November

NT Yes

JF Should I actively sponsor such a meeting?

NT Yes

JF Is Hubbard a man that I have known in eons past?

NT Yes

JF Is this Hubbard, in addition to being highly spiritual, also an advanced thinker in science?

NT Yes

JF Is the energy machine to be revived?

NT Yes

JF Are all the parts buried in the place where Hubbard buried them?

NT Yes

JF Will that be one of the consequences of our meeting?

NT Yes

JF Are you able at this time to tell us what the future of the Arizona property will be?

NT No

JF Is it true that there is a high energy source on the SW edge of the property pointed out by KK?

NT Yes

JF What is the effect on that area? Is this a place to go to meditate or another purpose?

NT Yes. You are going to find out when you go there. You should meditate there.

JF I the meeting to be held in Williamsburg early in November to have some significance to it?

NT No

JF By bringing people who are futurists together is this an endurable project they are undertaking?

NT Yes

LD You mean should this project have some significance to JEF?

NT no

LD This is nothing JF should concern himself with, right?

NT Yes

JF I feel impressed that the health machine seen by Helen may find some expanse or development with Hubbard?

NT Yes

JF It would seem to me that before the world generally can be susceptible to the Miracle material there has to be a remarkable change in the attitude of large cross sections of the people and it will take something like the

health machine just being used by a few.

NT Yes

JF Is it something we should be fiving our attention to at this time?

NT No

LD At the right time?

NT Yes

JF I sent
~~Frank~~ Helen's material to Gevins to pass on to his friend, should this still
be done?

NT Yes

JF Does this mean that this friend of Gevins and Hubbard might possibly be working
somewhat togerhnter:

NT Yes

JF I called Jan Cutler the other day and mentioned that Doctor Williamson might want
to work on Mark Fidrych's arm? I have not~~him~~ heard from her. Do you have any
appraisal of that situation?

NT Yes. She is trying to work it out. She will call you. (She called the next day)

JF Will Mark be susceptible to this kin d of treatment?

N/A

NZ, NZ, NZ

JF About the gold situation in Mexico, do you recall this?

NT Yes

JF What is your opinion about that matter?

NT DO NOT GO!

JF Do you feel that the monetary sustem in the U.S. will be due for collapse
in the foreseeable future?

NT N/A

JF Do you agree that it is well in light of the world in which we live,
that we should have a diversified program of funds separated georgraphically?

NT Yes

JF Are we to be identified with any sort of a movement?

NT No

LD I am curious about Monty Guild who called today. Does he have anything valid to offer?

NT Yes

LD Does he have a message from Maharishi?

NT Yes

LD Does it have anything to do with the Miracle books?

NT Yes

JF Do you have anything to say about the Marina in North Carolina?

NT No

JF Is it your advice that I have invested all that I should in that project?

NT Yes

JF Should I then let nature take its course and not be concerned about it?

NT Yes

JF Would it be advisable that I should let Bruce know that from now on events down there are on their own?

NT Yes

LD Will time become available for JF to get to Indiana to see Hattie?

NT Yes.

LD Somehow the time will be made, right?

NT Yes

JF Will events in Lafayette be settled by their own pattern?

NT Yes

JF Your advice is that I should remain neutral from most activities/^{in Lafayette}from here on out?

NT Yes

JF At home we have heard loud raps in our bedroom without any apparent explanation. Do you conceive this to be some one on the other side who wants to get in touch?

NT Yes

NT Was it you Tamud by chance?

JF Yes

NT Was the purpose so that we would come here and have this session here today?

JF Yes

NT Do you have more to give us now?

JF We will try to work on these many problems with you. The reason is that you should have more ----- time to work out the important things. I am talking about spiritual matters.

NT I haven't responded to KK's tape and other matters -- do you have any suggestions?

JF No

NT Is he any nearer to a solution to his problem?

JF No

NT Was he in Syria at the time Lynne and I were in Luxor?

JF Yes

NT Is there more to come out of that relationship?

JF Yes

AT, AT, AT, We are with you always.

JF I was watching the coronation of John Paul I this weekend. Do you have anything to say about all of that?

AT We were watching. We give our blessings. He will do a good job. He is a good man.

(Later we determined that John Paul was with us in Spain as NZ and that is why we both felt so fascinated by him.)

JF Is the reason we have had so much communication with you today is that we have made some spiritual progress and we can be much more coherent?

NT Yes

JF Will we have better communications from here on out?

NT Yes

JF How often should we consult with you?

NT As often as you can find the time? (Lynne asked for clarification since neither of us really had the time today) NT said you will get the idea when we tell you.

10/3/78

Revised 8/1/79
Called for Tamud, however NZ came in first.

JF Do you have anything for us concerning your short tenure as Pope?

NZ, NZ

JF Call for Tamud?

NT Yes

JF Do you have something you would like to say about this subject, please?

NT We are not going to tell you about that yet. This will be told in time. (We were curious about what happened to John Paul I) You were there with NZ at Rome. This was not expected even by us. The meaning will be forthcoming.

JF You mean that Lynne and I were with my brother, NZ, in Rome on one occasion in our past life?

NT Yes

JF Can you tell us anything about this proposed Arab matter with Judy and Bill?

NT Yes, you will become involved in this to the extent you wish. This is valid and would be of service.

JF Does this mean that IONS will be involved?

NT Yes

JF Does this mean that IONS will then continue as an organization?

NT Yes

JEF Does this mean that Ed Mitchell and all the present directors will be involved in this matter?

NT No

JF Just who will be the ~~xx~~ leading spirits in this?

NT Judy and Bill

JF These *projects* in Kalamazoo at Borgess and Kalamazoo College, do they have some degree of validity?

NT Yes, this is what you have been waiting for. We will make sure this is done right. We want you to be active in this. People will now believe you. They need your help. You have no reason to be afraid now. This will be a genuine contribution to humanity.

JF Does this pertain to both projects?

NT Yes

JF I take it that ultimately these will merge into one great effort?

NT No

JF Between the two projects, should I treat them both alike?

NT Yes

Which would be of greatest benefit to humanity, is there any distinction?

They are both equally important. They both ~~af~~ have a great benefit but a different emphasis.

JF Then I take it that the answer from George Rainsford will be in the affirmative about the acceleration of payments for the New Frontiers program there?

NT Yes

JF Does this mean also that I should go on the Board of Holistic Medicine at Borgess?

NT Yes

JF The projects at Langley Porter seem to be quite valid, do you agree?

NT Yes

JF What do you think of the work of Ian Stevenson at the U. of Virginia?

NT A little overdone right now but okay.

JF About the work at Duke, are they making any headway or worth continued support?

NT Yes

JF Is Bill Rolis' sense of direction affirmative?

NT Yes

JF Then I would assume that all of the projects are essentially the right direction?

NT Yes

JF Is the reorganization of the ball club have a degree of validity?

NT Yes

JF Does the plan for reorganization and stock redemption in the right direction?

NT Yes

JF Since I am going to Lafayette is there any message that I should carry to Hattie?

NT Yes, you should give her as much Miracle material as you can by just talking about things in general.

JF Should I take her a set of books?

NT No

JF Should Ivy hear any of that?

NT No, She wouldn't get it any way.

JF Do you have some other word for us at this time?

NT NT says that he too is glad that things are falling together at last. You will find more and more this happening.

Is Rhea going to get better?

No

JF Is Miracle material helping her?

NT This is helping her face her own life as it is. You have done well on your part of teaching. This you, yourself, cannot measure. Remember the lesson about judging.

JF Anything more about Rhea at this time?

NT No

JF All I can do is place her in the hands of "HS" and trust that everything will be alright?

NT Yes

JF Tamud, do you have any~~thing~~ acquaintance with Pierre Golan?

NT Yes. He is here whenever I talk to you.

JF Is it the same true pertaining to Red Robin, Chief ThunderCloud and Running Red Fox and Dr. Fife?

NT Yes. They were most pleased you kept the Indian Prayer today.

JF Is the purpose of all this genealogical research, does it serve as a guide for them in corrective learning about the oneness of mankind and the oneness of all of us are connected with the universal intelligence.

NT Yes

JF Is Arab experience going to bring about peace?

NT Yes

JF Is Lynne going to be involved in all of this?

NT Yes

JF Is this dating back to our prior experience in Egypt?

NT Yes

JF AND in Spain?

NT Yes

JF Since we have established this method of direct communication with you, it will not be necessary for us to go to mediums and such and we can call upon you at anytime?

NT Yes

Review 7/9/78

10/11/78

Tamud -- You will not be wrong in the support of the Center at Kalamazoo College. You should now proceed. This will be a service to the community, N.T. NT NT

JF Do you have anything to add about the project at Borgess hospital?

NT, NT

JF I am referring to the Center for Holistic Medicine. They have invited me to go on the Board out there. Do you have any comment?

NT n/a

JF Is there some doubt about it?

NT No

JF Is there a question of timing involved?

NT Yes

JF Would it be better to go into the Borgess thing after we have launched the K. College endeavor or should it be simultaneously?

NT It should happen at the same time. (AZ) (AZ) (AZ), NT, NT

(AZ) At Luxor? Yes

(AZ) was father of Juan & his brother (John Paul?)

NT AZ wants you to know that all is well. We will help you in any way. This will be our guide to show you what has to be done. (AZ) will be your guide on this. (on current projects) NT will have this (as our principal guide).

JF The two projects would be the central thrust -- now that I have some indication about IONS do you have anything to advise on that project?

NT You should keep in touch but be aware of what is going on. Be careful of (WB--)

JF Bill Harman's thrust will be networking of principal people, do you agree?

NT No ?

JF Our main concern is the projects in Kalamazoo, do you agree:

NT Yes

JF The scheduled meeting in Tucson ~~will~~ at my place there with Judy and Bill on Holy ground, do you have any comment?

NT No ?

Jf Are some of the people I met on Sunday, will they be active in the Kalamazoo programs?

NT Yes

JF Can you indicate who they are?

NT No

JF Is Kalamazoo supposed to become a center for the work of creative intelligence?

NT Yes

Do you have any further comment on that?

Yes, I am not able to tell you all of it now. The main thing is to realize its importance. We will let you know what to do. The projects will have far reaching effects.

JF Important personalities from all over the U.S. will be invited here?

NT Yes, go out to see the work at Nazareth.

LD Will Nazareth eventually have something to do with this?

NT Yes

JF Are you indicating that workshops will be held at Nazareth rather than K. College?

NT No

JF Is Nazareth involved with the Center for Holistic Medicine?

NT Yes

JF What is the contact you are asking me to make at Nazareth?

NT Yes, you should see Dick Loher. He is of like mind.

LD Will KVCC have anything to do with this -- like classes, etc. connected with Stryker Center?

NT No

JF Could this become a world center?

NT No

JF Could become an important USA center?

NT Yes

JF Pope John Paul I was a brother to St. John of the Cross in Avila, is that correct?

NT Yes

JF Does that mean he was my brother at that time?

NT Yes

JF Do you have anything more on his premature death?

NT Yes, He made himself go to the Father because of the world situation. He wanted to go. They will find nothing in an investigation. He made himself known and felt to many people. You are one of the many who felt his impact.

JF He died of natural causes and asked to be taken, correct?

nt Yes

Was that because he was overwhelmed at the magnitude of his position?

Yes

JF He died ~~in~~ of a heart attack in his sleep?

NT Yes

JF Does he have anything to say at the present time?

NT Yes.

JF Tamud, can you speak for him?

NT The truth of the matter is that he misses you and appreciates your loving concern. He knows of your interest and will be there to help with these projects.

JF The total concern is to concentrate on these projects in Kalamazoo -- all other matters ^{and} of secondary importance -- correct?

NT Yes

JF You are aware of my intentions to make a trip to Europe concerning the future funding of the Petzer foundation for the purpose of giving Carl Lee his orientation. Do you have anything to suggest concerning that?

NT No

JF Concerning the future operations of the foundation so that programs can continue to operate through to fruition? *Do you have suggestions?*

NT No

JF I can personally direct these programs for some time to come, is that correct?

NT Yes

JF This young professor and his wife by the name of Strauss, will they have some identification with this?

NT Yes

JF Is this the program that Curt Butters will enter into and stay with for a long time to come?

NT Yes

JF Do you see the future that these ^{two} efforts will be collaborative efforts?

NT No

JF One will be of a medical thrust and the other an educational thrust?

NT Yes

JF Will both of these programs have an impact on the country at large?

NT Yes

Is the Fetzer ranch in Arizona to have any impact on these spiritual programs in the future?

NT No

JF Is it true that the land out there was a part of Mu and was involved in that upheaval?

NT Yes

JF Is it also true that the southwest corner has a special vibration in it?

NT Yes

JF We were together in Rome, what did you mean by that? /We were there at the time with NZ about papal matters. Just a verification.)

JF Was this something missed in original story then?

NT Yes

JF Did Marie Theresa go at that time?

NT No

LD M.T. was probably in jail at the time.

NT Yes

JF We were probably there trying to get her out is that correct?

NT Yes

JF Is it necessary for us to have any more information about previous lives?

NT No

JF Are the Egyptian and Spain stories accurately put together?

NT Yes

JF Do you have any word from family or friends on other side today?

NT No

JF Is there anything in these two books that Curt Butters left me concerning missing links in Jesus' life that we should know about?

NT No

JF Pierre Goulan is there something you wish to say?

PG I will be your contact when there is more.

JF Red Robin has been contacting me several times, is she there with you?

PG Yes

Was Red Robin ever involved with us in Egypt or Spain?

NT No

JF We have been together more or less for 19,000 years, is this correct?

NT Yes

JF Dealing with other reincarnations about which I have no knowledge?

NT Yes

JF Are any of those involving Red Robin ever to become evidential on this side?

NT No

JF Are any of these previous incarnations ever to become evidential on this side?

NT Yes

JF The other I asked Judy (Skutch) and she has indicated that we have been in previous incarnations and she told me to ask you?

LD N/A
JEF has been in previous incarnations with Judy Skutch?

NT Yes

LD Will you at some later time reveal this to JEF?

NT Yes

JF You have nothing further to say on this subject at this time?

NT Yes

JF Will Judy and Bill H. ever become involved in the work that is to go on here in Kalamazoo?

NT Yes

JF Does that mean that these projects here might supplant IONS?

NT Yes

JF Will the Miracle enter into this situation?

NT Yes

JF Both projects ultimately will be deeply involved with Miracle material?

NT Yes

JF Will the involvement of Bill and Judy be largely through the workshop technique or actively participate in some way?

NT No

Become active through workshop technique only. They will emphasize their project in another direction?

NT

Yes

JF

I could become involved in their project to the extent that I wish to?

NT

Yes

JF

Active participation right here in Kalamazoo?

NT

Yes

JF

The future funds of the Fetzer Foundation residing abroad are they to be used here in Kalamazoo and for international purposes?

NT

Yes and No. In both.

JF

We appreciate your interest in what we do and say and try to accomplish.

NT

Yes

JF

Do you know Lynne's guides?

NT

Yes

JF

Will she have them in due course?

NT

Yes

JF

Depends on how ~~exactly~~ badly she wants to know?

NT

Yes

JF

Is it important at this time that we review the scripts of Egypt and Spain?

NT

No

Terminate --- Greetings from all...

JF / Do you have anything to tell us today?

NT Yes

AZ, AZ (Juan's father)

AT, AT (Sister Anna Teresa)

NZ, NZ (Brother of Juan)

NT ERROR

NV, AWN, WNA, etc.

NZ I was there with you when you were in Spain. You took nothing to -----

NT ~~XX~~ You took my writings to the temple with you.
They were not very safe with me. You hid them there. They were ----- NT
They stayed there until the war then they were destroyed. They were the plans
for the city. You hid them well. When you were there you had them buried. They
were not to be seen by anyone else. Please see them. NT, NT.

This will be your sign. NAMZ, refers to Egyptian story.

JEF These were plans for reconstruction of Thebe and Luxor that was never built?

NT Yes

JEF The war means when Alexander the Great came in and destroyed everything?

NT Yes

JEF Does this have anything to do with symbols we have talked about from time to time?

NT, NT.

JEF Nothing to do with shoehorn?

NT No

JEF Anything else about Luxor or Thebe?

NT Yes

JEF Are you talking to us as Ra and Atka?

NT Yes. "Take what you have and run for your lives." But you did not want to leave. You were not afraid then. When you learned it was too late. We⁴ all died in the same day that was why we are still together. We have much to do. We will get it done this time. We might have more time to do it now.

JF In this incarnation?

NT Yes. You already know what that is.

JF What we are now doing is in the right direction?

NT Yes

The New Frontiers Program and Center for Holistic Medicine, do you believe these activities are what we already know of?

NT YES

JF What about the Pyramids, is this part of the plan in some way?

NT Yes

JF Can you enlarge upon that?

NT This will come in time.

JF This is falling in place in Michigan, correct to happen here?

NT Yes

JF Will Arizona have any part to play in this?

NT No

JF Are all of our activities in Michigan, all of us are going to do together since we all died together?

NT Yes. It will all come together soon.

JF Do the Detroit activities have any part in the overall plan?

NT No

JF Will intuitive/creative processes work to a good advantage this time?

NT Yes

JF Since I have had extreme difficulty in understanding what the trance-like experience in Arizona amounted to, can you give me any line on that?

NT Yes. This was directed for the benefit of those there. They were shocked into action which was intended. This was not to confuse you but to help them mainly. Do not puzzle yourself over it. They needed a shot in the arm.

JEF Is there one single purpose between what they are doing and we are doing here?

N/A

JF Any ultimate combined purpose between IONS and JEF Foundation?

NT, NT

JF ~~Perhaps~~ The purpose was to shock them into action, is that action now taking place?

NT Yes

JF Are they going the direction ~~you~~ you had in mind?

NT Yes

JF Is this new concept of intuitive knowing and decision making, ultimate purpose of their effort?

NT Yes

Will that effort be under the umbrella of the West coast or the umbrella of the Committee of the Future? Or will it all evolve into one effort centered in Washington?

NT Yes

JF All of these efforts are basically attained to the same principle right?

NT Yes

JF Do you have anything to offer in our personal participation in that effort, versus the one we're now in?

N/A

JF Should we participate in that effort or confine to our own here?

NT Stay here.

JF Does that mean that we should support their effort financially or not?

N/A

JF Should I continue our relationship in the future about the same as it is now?

NT Yes

JF Do you have anything to say concerning Judy's activities?

NT Yes. She will do alright in her own way. She will do what is right for the whole effort. She is flighty but is sincere.

JF How about Helen?

NT She will never learn.

JF Is that why she was chosen to bring this material because she was so completely impersonal? (about it)

NT Yes. She will not get well, for nothing more to be done about Helen.

JF How about Bill Harman?

NT He will do his part thoroughly as usual. He is very valuable. He will do an excellent job.

JF How about Ed Mitchell?

NT He will do his part also. You saw what happened last week end at K. He will touch people not otherwise involved. He is very overwhelmed by what is happening and needs stability for his own peace of mind.

JF Will the Board of Directors of IONS help him in what he needs.

NT Yes

JF Judy?

NT Yes

Bill?

NT Yes

JF Their joining is beginning to work out?

NT Yes

JF Result of meeting in Tucson?

NT No

JEP Just a question of time to work out?

NT Yes

JF Is the Miracle material doing the function it was intended to do?

NT Yes

JF Was the Miracle material given for any specific purpose?

NT Yes.

JF What is that purpose?

NT It was given to save the world from destruction.

JF On a world wide basis will it be instrumental in bringing about decision-making that will bring peace?

NT Yes

JF Does that lend anything to Bill Whitman being Secretary of ~~State~~ Defense and his prerogative to practically shut down the pentagon?

NT Yes. He will have that job and do what you say.

JF Will/have ^{he} that job in this life or in some subsequent reincarnation?

NT This life.

JF To do this he will have to have the support of large masses of people?

NT Yes

JF The world is ready for peace now?

NT Yes

JF Are we destined to have a part in all of this?

NT Yes

JF Will the programs we have here contribute to that?

NT Yes

We will not directly be tied to the Washington project but indirectly through the programs here?

NT Yes

JF There will be a movement started as a result of all of these efforts world wide in implication?

NT Yes

JF We must leave all the doors open then?

NT Yes

JF Bill Hubbard?

NT Yes. He will not be directly involved.

JF State of Arizona will not be involved in these plans correct?

NT Yes

JF Should I abandon any plans I thought about in connection with Arizona?

NT Yes

JF Is there to be a thrust in some other direction other than Arizona?

NT Yes

JF Can you say where or when?

NT No

JF That is yet to be revealed?

NT Yes

JEF The single most important suggestion we have had?

NT Yes

JF Thank you so very much for your help, we appreciate it. See you from time to time, correct?

NT Yes

7/3/79

JEF Call for Tamud

NT Yes

JEF Have you been listening to our conversation?

NT Yes

JF Do you have any~~thing~~ further word on any of these subjects~~about~~ that we have on our minds?

NT Yes

JEF Do you have anything more specific?

NT AMNZ - Egypt. Yes the story of the pyramids is not new to you. At that time you both understood the pyramids perfectly. You knew the secrets ∞

JF Does this suggest further activity on the present day pyramid situation?

NT Yes. You will be initiated into the order. This will take place when you have the opportunity.

JF Within the foreseeable future?

NT Yes

LD That means going out the pyramids in Allegan?

NT Yes

JF The pyramid at Allegan?

NT Yes

JF Is there a secret order of which the Hardy's agree?

JF Has Jim Keating been inducted?

NT Yes

JF Is induction done by Master on the other side?

NT Yes

JF Does this order contain all of the secrets of the rules of Hermes?

NT Yes

JF Were all the secrets of that order regiven to the Hardy's?

NT Yes

Ken Killick is also one of the prime movers of that order?

NT Yes

JF Do you have anything to give us as to when -- should we aggressively set a time?

NT No

JF Wait for an overture from them?

NT Yes

JF Should we study this book more particularly than we have so far?

NT Yes

LD We were in this order at one time in Egypt?

NT Yes

JEF Do you have more to give on this subject?

NT No

JEF Will meeting to be held in Asilomar serve any useful purpose?

NT Yes

JF Is the movement now surrounding IONS and Committee for the Future pointing in the direction ordained from the White Brotherhood?

NT Yes

JF Do you think it beneficial that I attend such a meeting?

NT Yes

JF Is the purpose of this meeting to contact more people to participate in the forthcoming activities?

NT Yes

JF Will it be successful as to this purpose?

NT Yes

LD Contacting more creative decision makers? Yes

LD Teachers (in other words)?

NT Yes

JF Do you have anything more to tell us about West coast meeting?

NT Yes. This will not be a waste of your time. When you go there it helps you to learn more to teach

JF Is the group on the West coast eligible to learn about the pyramids?

NT No

JF Other members of that group? Bill Whitson, no. Thetford, no. Judy, yes. Lindville, yes, Davis, no. Temple (Egyptian sign NAMZ given). He should have a copy?

NT Yes

JF Did we know him in Egypt?

NT Yes. He was the Egyptian -----

JF Royal family?

NT No

JF Was he our teacher at the Great Pyramid?

NT Yes

LD Was he a Magi?

NT Yes

AZ, AZ (In Spain Juan's father) Also a member of the White Brotherhood.

JF Is Mother watching Hattie very closely?

NT Yes

JF Do you have anything to tell us about experience with Ivy?

NT No

JF Tamud, do you have another subject to raise at this time?

NT Yes.

AT I am here with you now.

AZ You will find the answers you seek. It takes time.

JF Do you have anything to say about many of these business questions I have had on my mind?

AZ Yes, do not worry.

NM, NM (Father Nunez in Spain)

JF NT, can you give us clearance please?

NT Yes, he wishes you well.

JF Thank you ver much Father we appreciate that.

NT for NM, yes.

JF Any others?

NZ, NZ (Brother of Juan - Pope/Paul I) At this time in history we need you to make people more aware of what they are and who they are.

NT Yes

NT Yes

Jf What is the problem between Helen and Judy?

NT They are not speaking.

LD Judy cannot relate to anyone who is not into the Miracle Material and may be the problem between Judy and her husband, is that true?

JEF Call for Tamud.

Discussion followed regarding meaning of symbolism in Egyptian story in regards to our preoccupation with hidden treasure meaning specialness devoted to material possessions. This ties up with recent lessons in Miracle material, Chapter 24, "The Goal of Specialness," pages 464 - 481. Also with scripture in Matthew 6:19-21, "Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also."

JEF Do you have any more you want to tell us on this subject?

NT Yes

JF Do you have some narrative statement?

NT Yes. You had to learn this lesson yourself to be meaningful. This was the purpose of telling you this story. Make the best of it. When the time is right you will know more 

JF Back to the pyramids. Do you have something to tell us about that activity?

NT Yes. AZ -- When you were in Spain you were not materialistic but you were tied to things not realizing the significance of your ties.

JF Tied to specialness -- institution of the church, monasteries, etc.?

AZ Tied up to rituals of the church. This has carried over somewhat but can be overcome by your determination to know the truth.

NT You will not know when this will happen. The truth will set you free. You will not be tied to Spain or Egypt ~~but now~~. The past is no longer necessary to teach you what is important. What must be done is this: Go and teach to others what must be learned. This you can do now that you have come this far. The opportunity will come soon so prepare yourselves. This will fit in with your present schedule so don't worry about rearranging it. You will know it soon enough. The way is clear and will remain so. You will start when the shoehorn fits. 
(This ties in something about Helen and KK)
The  is going to be the sign to watch for. At this sign you will know this is correct.

LD Is this a situation?

NT No

LD Person?

NT Yes

JF Someone else to be introduced to us as part of the plan?

NT Yes

JF Does this fit into what we have been talking about in foundation matters?

NT Yes

JF We have been talking about the foundation participating in some plan, is that what you have in mind?

NT Yes

JF Homer and Chen on the Board, does that fall in line with things to come?

NT Yes

JF The remainder of the Board the same with Wilson and MacDonald on it?

NT Yes

JF We should begin to teach; could you enlarge upon that idea?

NT You are to do nothing until the sign. Study and know you are not alone.

NZ You will take what you have and this will be good.

JF Do you have something to tell us about John Paul II's activities all over the world?

NZ notice.
The world is sitting up to take/ This looks encouraging. We need all the helpers we can get.

LD This is part of the total movement -- one path?

NZ Yes

NZ, NZ, NZ

JF Is the shoehorn a continuation of Helen's dream?

NT Yes

JF Do you have anything to say about IONS?

NT N/A

JF Jerry Jampolsky and his program on "60 Minutes," is that part of the New Age plan we have identified with?

NT Yes

JF Do you have anything to say about Dorothy Lyddon?

NT N/A

JF Our concern is not out there but right here is that correct?

NT Yes

JF then as
Same lesson we must learn before any real success?

NT Yes

JF Same hangups Bill Harman has, we have? (about specialness)

NT Yes

Jerry Jampolsky has succeeded very well on this score?

NT Yes

JF Bill Thetford also?

NT Yes

JF The last time we talked about Helen. You were of the opinion there was not much more to be done there. Are you still of the same opinion?

NT Yes

JF Question on my mind now, is the present system of distribution of the Miracle books sufficient; Bob Skutch is handling?

NT Yes

JF Will the Miracle books ever be translated into other languages?

NT Yes

JF Do you have any instructions concerning this possibility?

NT Yes. This will happen also soon. No problem.

JF Leaders will come forth all over the world who have taken ~~xxxx~~ their turn assimilating the Miracle material?

NT Yes

JF That is not our basis function correct?

NT Yes

JF Not our function at all is that correct?

NT Yes

JF Where does the ball club fit into all of this if at all?

NT Yes. This is necessary for your growth.

JF Does that mean I have to continue with it then?

NT Yes

JF Will there come a time when its usefulness will be over?

NT Yes

JF But that time is not now?

NT Yes

JF Does it mean that I should hold conferences on this subject in September as was as was suggested?

NT No

Does this mean that I must continue to operate^{until} and run the ball club ~~as soon as~~ some information comes along to give me indication to the contrary?

NT Yes

JF Is there any significance in this letter that came from Steinbrenner?

NT Yes

JF Is this another opportunity to teach?

NT Yes

LD  OH SHIT!

JF Do you agree with that?

NT Yes

JF Happiness is sought out over there as well as here, right?

NT Yes

JF All these lawsuits, moving of franchises, player salaries, etc. are part and parcel of my training ground in life is that correct?

NT Yes

JF You did say we would not be alone didn't you?

NT Yes

JF Should my personal equities in the ball club be put back into FCI?

NT Yes

JF We have been talking about some of the^{line} of having a circle of friends of our own to get together to study. Do you have anything to say on that subject?

NT Yes. (This is not what is required.) This would not help with the answers.
Wait for the 

JF That is all for today?

NT Okay.

#####

September 17, 1979

JF Call for Tamud

NT Yes

JF Do you have anything for a short subject?

NT Yes, We are with you at this time and know the way is clear for NT. You will know soon what to do. We will prepare you now. You have been so long in the search so we will wait no longer. The way will not be easy for many will disagree. "Want not, waste not" is the word. NT, NT, NT.

You both must agree on this that you will support each other in this quest. Then wait for this sign that you will not be mistaken.

MANZ, This is the sign of Egypt story. There you did not learn to follow your spirit but chose to follow the physical. This was not the way to truth. You must try very hard to learn the way of the spirit. The time is now. The way is to keep on studying and we will help you. Some days are more difficult because we have trouble getting through. ~~You are waiting to~~ NT, NT,

OT, OT, ~~(Main guide for Spanish story)~~ You were to learn the same lesson ~~here~~ (Spain) but you went too far the other way. (Refers to spiritual and not enough physical)

JF ~~Could you clarify that for us?~~

AT, AT

NT NT The way in Spain was too involved in church dogma and not enough practical application. This is now the time to reconcile the two. You will help at every opportunity to teach the MIRACLES which happens every day even though you don't realize it. Be patient, for it is happening now. 

JF ~~Does this have anything to do with UFO's that I discussed with Keating the other day?~~

NT No

JF ~~Will UFO phenomena have any consequence to us?~~

NT No

JF ~~The sign  Pyramid dealing with Kenneth Killick?~~

NT No

JF ~~Dealing with "Want not, waste not?"~~

NT ~~Yes~~

The Pyramid sign  reduced to language is
"Want, not, waste not"!

10/3/79

JF Tamud, are you there?

NT Yes

JF Have you been with us almost constantly?

NT Yes

JF No doubt, you have been following everything Pope John Paul II has been doing?

NT Yes

JF Do you have anything you wish to tell us about that?

NT Yes

AZ, AZ This has been so exciting for us to see the reaction to His Holiness. This will be good. This is what is needed. All people will take notice. The message of love is eternal. Take heart for this is for all the world. Then the way is clear for spiritual renewal. He will unify the world for all denominations. This will happen this year  He will not go to the USSR. This will come about later.

MANZ Egypt

NZ, NZ This will be the way you will have to go. When it is NZ, NZ

JF Can you tell us what relationship Pope John Paul II was to us?

NZ Yes, He was with you in Spain. He was AM(parishioner at Alba, who helped to build the monastery there)

JF Tamud, here now.

NT Yes, we are grateful for your interest in this and your persistence. We are happy too about Pope John Paul's visit to the US. This is very important right now for your country. His care and love gives hope to a troubled world.

NAMZ, Egypt, NAGT, AT

JF Should we ask questions.

NT Yes

Since is

JF ~~Is~~ Pope JPII/starting his crusade to unify the Christian world, does this mean that the activities at Borgess Hospital have anything of significance for us?

NT Yes

JF Could you tell us what that is?

NT At the hospital you will ----

JF The Center for Holistic Medicine specifically, do you have anything to say about that?

NT N/A. At the hospital you will be involved in a struggle but it will be resolved. You are the only one with a holistic attitude who can do it. This will be another

way to plow new ground. NT will help you.

JF Will Dr. Bernhard continue his sympathy and support?

NT Yes

JF Is that the purpose of my social visit with him October 9?

NT Yes

JF Is the main opposition with the medical profession out there (Borgess)?

NT no

JF Is it a questioning on the part of those people as to my Protestant background?

NT Yes

JF Is that part of the conflict between Bronson and Borgess? They are aware of my participation with Bronson heretofore?

NT Yes

JF I suspect the only way that can be overcome is to let them know by degrees a little at a time of my unprejudiced attitude toward Catholicism?

NT Yes

JF Is it your wish at this time to reveal who the adverse forces out there are?

NT No

JF Who would be the closest ally to lend cooperation?

NT N/A

LD Is it one of the sisters?

NT Yes

JF Is it the sister who spoke at the last Board meeting that we don't want to blow it this time, do you remember her?

NT Yes

JF Do you think she would be helpful?

NT Yes

JF Do you think Bill Lawrence would be helpful?

NT NO

LD McShane?

NT Yes

Burian? Yes

Williams? Yes

Verzi? No

JF Will the respective Boards of WMU AND Borgess resolved this problem?
NT No
JF Is the continuity dependent upon my financial support?
NT No
JF Is this a question of power politics in connection with this?
NT Yes
JF Would both sisters be sympathetic to this?
NT Yes
JF Gauntlett? NO
JF How about K. College, New Frontiers Program, can you give us anything that would be helpful?
NT It will be alright.
JF What are some of the next developments to transpire?
NT The acceptance will come from the students. They will be the leaders. Curt will be able to talk to them and they will understand. They will want to know more. Then the faculty will have to listen. This will happen soon.
NAMZ Egypt
JF Does this mean it is time to go?
NT Yes

12/17/79

JF Do you have something for us today?

NT Yes

JF Do you have a narrative statement to give us?

NT Yes. You will become a very well known teacher. People will be coming to you in numbers. This will work out fine. You will have time.

JF Lynne asked what form of teaching -- individual or group?

NT Group

JF One day Jesus Christ came to us, Jesus of Nazareth, we thought it was a rigged situation. Was that a real incident or false?

NT True

JF Is Jesus with you at the present time?

NT Yes

JF Is there anything Jesus might want to tell us?

JC We are here to help. Keep on the path and you will lead many others to the light.

JF Are we part and parcel of the same movement - Miracles?

JC Yes

JF Is there anything that you were unable to accomplish through Helen that you would like to finalize through us?

JC Yes. Right now we can only be brief. We will continue later. There will be more. The material is too difficult for many people and we need to condense it. We can do this without too much difficulty. We will work on this project in the spring. There will be time then. We will be getting organized and prepared.

JF Is this something you want us to become involved in?

JC Yes

JF Is this something you wish just the two of us to do?

JC Yes

JF Does that mean you want us to pick up where Helen has left off?

JC Yes

LD The shoehorn?

JC Yes

JF Are you going to suggest some alternate form of transmission to us?

JC No

Do you have more you wish to tell us on this subject?

No

JF The White Brotherhood apparently has been working through the Hardys, is that correct?

JC Yes

JF Is it true that there is going to be a new alignment of the planets by 1982 which will bring about a new form of intense radiation to this planet making it necessary for a new approach to materialization?

JC Yes

JF Does this mean that the pyramid situation and UFO problem is part of this same movement?

JC Yes

JF Are we to do any work of coordination in that direction?

JC No

JF Does Jim Keating fit into this plan?

JC Yes

JF Does this mean that the New Frontiers Program at K College and CHM at Borgess Hospital are fundamentally in this same thing?

JC Yes

JF Does this mean that parts of a gigantic international puzzle fit together in this area?

JC Yes

JF If we are to be fundamental~~y~~ in this leadership is the baseball background only but part of the preparation for this?

JC Yes

JF Does that mean we are to sit still and stay out of the planning?

JC Yes

LD Does this mean that Jim Keating will help with the editing of this project, is that correct?

JC Yes

JF Regarding Mr. Leiser in Spain, did you guide him to us?

JC Yes

JF Is his plan to bring Rapallo to the U.S. a part of your planning over there?

JC Yes

Does this eventually mean that I should go to Spain to see what Rapallo is all about?

JC Yes

JF Upon my preliminary examination of Leiser's proposal is that it is a very ambitious plan, is that a realistic plan?

JC No

LD So it will be modified somewhat?

JC Yes

JF Is this the kind of a thing that Jim Hardy would work into quite readily?

JC Yes

JF Is this your plan?

JC Yes

JF Would Gevins work into this kind of material?

JC No

JF Dr. Yeager feels that Gevins will do a notable piece of investigation. Will he be successful in translating the Sanskrit and alternate state of consciousness thing?

JC Yes

JF Part of our movement?

JC No

JF Is there anything you want to give us about Leiser and Rapallo?

JC No

JF Do you have anything else you would like to give us at this time?

JC

5/20/80

JF Tamud are you there?

NT Yes

JF You must have a few things to tell us?

NT Yes

JF Have you been listening to our discussions today?

NT Yes

JF Do you want to tell us which subject to tackle first?

NT No

JF You want us to raise suggestions and questions then?

NT Yes

JF Regarding the affairs at Borgess and Dick Williams' resignation, do you have anything on this?

NT Yes --- AM, NZ, NM, AZ.

NZ Name your question?

JF Problem at Borgess and Dick Williams

AT Wants to know if you are going to talk to Williams. You may get more insight. He wants to talk to you.

NT back.

JF Do you have anything on the Kalamazoo College NFP?

Pause

JF Do you know of the move to banish NFP from K. College.

NT No

LD Do you have anything more to add about the problem at Borgess Hospital.

NT We want you to know that this will work out. The means will be found to carry this out. Williams has a lot to learn on ways to get things accomplished. You can help him that way. He needs some sound advice but his ego won't let him ask you for help. Call him right now.

JF Do you mean terminate our conversation and call him now.

NT Yes

JF At home or office?

NT Home

JF Should we extend invitation to join our group (Miracles)?

NT No

NT We will be able to help you at any time. You have the right track on the labor thing, so keep strong! NT, NT.

JF You last spoke about the revision on the Miracle material. Do you have anything on that.

NT Yes, we can start on that when you have time.

JF That will be a major project?

NT Yes and No

JF Will this involve any rewriting?

NT No

JF A matter of condensation of the material is that correct?

NT Yes

JF Are you able to tell us anything at this time about what is going to happen with respect to the strike situation in baseball?

NT No

JF Are you able to tell us anything about the program at NFP and the move to stop it.

NT Yes, this too shall pass.

JF Do you have anything to venture on our personal problems.

NT You are both doing what is required. You are both learning to handle what comes along with love and understanding.

LD We are both learning how to love all over again, is that true?

NT Yes

AZ says you still have a sense of humor.

NT Yes

AT is helping you as always.

NM is trying to help you too.

JN (Juan's mother) we are with you always.

AM yes.

JF Do you have anything to tell us about our personal problems at home?

NT No

JF If there is anything you would like to tell us we would like to hear it.

NT Yes. We will narrate some more now. The whole scope of this time you are there is summarized correctly as the New Age. You will lead others in the way they should go and this will take precedence over everything else. Take heed of these opportunities.

Williams will not want to tell you at first so keep at it. He needs your counsel.

LD Should we call him back?

NT Yes

JF Thank you so much Tamud and all of you.

(Note: we called Williams back and he was not at home. However, left message with his wife that JEF had called. He called the next morning and talked to LD. She indicated that JEF wanted to let him know how concerned he was after receiving the resignation in the mail yesterday and wanted Williams to know that he was thinking of him and what he must have been going through these past months. Also, gave him JEF phone number at home to call this week end. He seemed very pleased that JEF had called. Thanked him very much. He said maybe they could get together for lunch next week and cry on each other's shoulder. Also asked how JEF was doing with the labor thing going on, etc.. It seemed important to let him know we were thinking of him.)

July 2, 1980

JF Call for Tamud

NT Yes

JF Have you listened to our meeting this morning?

NT Yes

JF Would you like to join in with us?

NT Yes

JF First of all so we don't have any interruptions are all of the others there too?

NT Yes

JF Do any of them wish to send greetings?

AM, NZ, AT, NA, NM (In Jesus's name)

JF Do you have any word of advice ef-# for us?

Yes

JF We would like to have it, will you spell it out?

N/A

JF Both of us at this particular time are going through some feelings of despair, do you have anything on that?

NT You just have to wait for hwat happens next.

JF Do you have any word concerning NFP?

NT Yes, heed what your instinct tells you. Hear with your inner ear. the plan will---
AT, AT, You will know soon. We will help you.

NZ Look within and you find your answer.

LD Trust your inner voice? Yes

AT We will be there when you need us.

NT

JF In times past, we asked specific questions and got specific answers. Are you willing to do that again?

NT Yes

JF Insofar as the records you have available, how many times have Lynne & I been associated in lives past.

NT Many

JF Many more than Luxor and Spain?

NT Yes

JF Is this association to be the climax of a long series of events?

NT Yes

JF Would it be helpful for us to know any more about our past associations?

NT NO

JF Getting back to the NFP, I have had a definite approach to this problem in mind which is suggestive of solving the whole relationship and pending difficulties of the past at K. College. I have felt that Chen would be the logical choice and would probably settle everything with a new sense of direction. Do you agree?

NT Yes

JF Do you have anything further to tell us about Williams at the present time.

NT Yes. He will need you to help him sort out his difficulty and then he will be ready to learn. This will be the proof to him that "truth is true."

JF Is he likely to join our Monday group?

NT Yes

JF What do ^{you} see Curt's future is?

NT Yes, he is trying very hard to learn the lesson and with your help he will succeed.

LD Part of the overall plan - right?

NT Yes

JF Is there going to be some kind of a combination worked out with the forces we have here now?

NT Yes

JF Is this whole area a selected place for some specific goal to be attained in connection with the NEW AGE?

NT Yes

JF Can you enlarge upon that?

NT Yes, you will be the focal point for this area

LD Have we met all the people that will be involved in this or will there be others?

NT No, *we have met most of them, but others will be involved*

JF Are all of our acquaintances to date part of the total package?

NT Yes

JF They all seem to be part of a specific plan that will lead to some total function later?

NT Yes

JF Can you give us some idea what lies ahead in amalgamating this effort?

NT Yes. This will not happen this year but things are getting lined up. We know you are wondering but will not be able to tell you exactly when or how or what.

JF Do you have any advise to offer with respect to where baseball fits into this total package, be specific as possible.

NT This does not fit in directly but is necessary for you to be in that position. There is a reason for it.

JF Does that mean that I am to stay in that effort permanently, in the foreseeable future?

NT Yes

JF Does that mean that I should continue to run the ball club as sole owner?

NT Yes

JF NT, knowing what the future might develop, is the connection with baseball only a prestigious device so that more effectively the work in Western Michigan can be accomplished?

NT Yes NO

JF Should I remain active in the administrative affairs ^{of B.B.} as I have heretofore?

NT Yes

JF Since there apparently are no accidents, ^{are} is all of these situations pending part of your plan for us?

NT Yes

JF This idea they have at Andrews University to write a book -- is the young man sent here capable to do that which in effect is necessary?

NT Yes

JF Is this publication they are espousing over there part of this overall plan for Western Michigan?

NT Yes

JF Is the fact that the SDA movement at variance with the NEW AGE principals seem unusual that they should become involved at this time. Any comments?

NT The young man Chris will be the bridge for understanding.

JF Is this all designed to bring about a reformation in the SDA church?

NT No

JF Then I take it his function is leading out with a publication regarding us that will be affirmative to what we are doing in Western Michigan.

NT Yes

JF Then this will not become involved in the doctrinal process of the SDA group?

NT Yes

JF Will the situation in Lynne's household improve?

NT Yes

JF Will she be led to constantly make the right decisions?

NT Yes, this is all part of the total picture for her own growth. She will lead the children in her care to the NEW AGE. This will be a source of total love on her part to teach of love and truth. Take this as your mission.

JF How will things go in my household?

NT Rhea will ---

JF Is Dr. Yeager and Maude be attentive to her situation?

NT Yes

JF Do you have anything from them that you wish to convey to me?

N/A

JF Dr. Yeager, does he have anything to offer?

N/A

JF We will not pursue that unless you have something more to say on that subject. If you have anything to say about my relationship with Rhea in the future be glad to have it?

NT This is your teaching/learning situation so keep with it. We will help you and it will improve.

JF Is this program ^{for Rhea} given us by Ken Killick a desireable program for us to follow?

NT Yes

JF Will Jackie Holt be helpful?

NT Yes

JF Just as the Vitamin C program is helpful?

NT Yes

JF Should we ask Ken Killick more questions to be more specific, would this be appropriate?

NT Yes

JF KK built the health machine, can he duplicate and build that machine again?

NT Yes

JF Is this the only time this machine has been built since Atlantis?

NT Yes

JF Would it be appropriate to develop that machine for use by Williams and his group?

NT Yes

JF Is the machine that we have to help general health and cancer a valid form of treatment?

NT Yes

JF Is this equipment being developed out of the esoteric side part of our Center for Holistic Medicine?

NT Yes

JF Primarily out of the premises of the hospital at first?

NT Yes

JF Is that the part that the Hardys play in that?

NT Yes

JF The design and building of the equipment, is this KK's function for his participation in these activities in W. Michigan?

NT Yes

JF Does this pyramid thing in Allegan have any function with this plan of operation?

N/A

JF Are the conditions in their pyramid activities to make a contribution to the overall plan for operations in W. Michigan?

NT Yes

JF I suppose that will materialize through KK?

NT Yes

LD Is that part of the pyramid network they were talking about the other day?

NT Yes

JF Is there it true that the installation of these pyramids will become a stabilizing force for this planet?

NT Yes

JF Is that also part of our function as a source of coordination in W. Michigan?

NT Yes

JF Do you have anything more to offer on that subject at this time?

NT No

JF Some of the information I have gotten somewhere is that this health machine is a device to be used in connection with a ~~reduction~~ ^{radiation} force inside of pyramids, is that a valid idea?

NT Yes

JF Ultimately will the Fetzer Foundation be supporting a large share of this activity is that correct?

NT Yes

JF Sometime ago you stated emphatically that there were certain kinds of writing to do with a condensation of the Miracle material. In the meantime some books have come out and other material through Bill Harman, do you still have a function for us to do in that regard?

NT Yes

JF You last said that this function we could do very easily and we would be working on that this year is that still true?

NT Yes

JF Can you give us any idea about a sense of direction with that?

NT A version will be given you soon similar to Jerry's book but a different slant on the material.

JF A new approach to LOVE?

NT No

JF A different slant on the Miracle material itself?

NT Yes

JF Require a brand new text?

NT No

JF A new interpretation of the material?

NT Yes

JF Are you not ready to give it to us yet?

NT Yes

JF How soon should ~~be~~ ^{we} come back to ask for this material?

NT After your next trip.

JF After I return from California?

Nt Yes

JF Do you have anything further that you wish to give us?

NT N/A

JF Is it necessary to keep asking questions before you can reply?

JF Do you have a final word to give us?

NT No

JF Is that all for today?

NT Yes

NT, NT AZ has been answering up to now.

LD Jointly answered up to now by all of them?

NT Yes

JF A part of this total program is building the prototypes of things to come?

NT Yes

JF Will Ken Killick have a part on that?

NT Yes

JF Will there be a production line before we are through with it, does that make sense?

NT Yes

JF Something more to tell us?

NT Yes. We are sending more people to you. You will have them there soon.

JC The book is right for you to read. (The Reappearance of the Christ and the Masters of Wisdom)*

LD Is this the book Marian was telling us about?

JC Yes * We want you both to read it. You will get a copy.

JF This is the book pertaining to the White Brotherhood?

JC Yes

JF There is something special in that book for us apparently?

JC Yes

JF In due course all of you at least some of you will reveal yourself to us in a more tangible way?

JC Yes

JF Jesus, can you tell us what to expect in that regard?

JC At this time I cannot tell you. Wait and be ready.

JF We will do everything to be ready. We do want to extend our love and gratitude for our intimate association with your loveliness.

JC Yes

JF Do you have some word to leave with us?

JC Go in peace.

JF God bless you.

NT Yes

JEF Do you have a narrative statement to begin with?

NT Yes.

AT We have been with you as always.

NM We want you to find the way for yourselves and others.

NT At this time you are going through much turmoil with all of the new souls we have brought you. We are helping as much as we can. We have looked at this very closely. You will be getting more souls also.

JEF Will you please give us your understanding of Jim Gordon?

NT He is a highly evolved soul. He will help you immensely. You must make your own decisions on what has to be accomplished. He will guide you with ideas from here.

LD He will give us ideas from the other side but we are to put into practice on this side what has to be done?

NT Yes

JEF Are you in touch with the Archangel Michael?

NT Yes

JEF Are any of the White Brotherhood willing to talk to us through you?

NT No

JEF They will talk exclusively through Jim Gordon then?

NT Yes

JEF NT, are you willing to tell us where your position is in respect to the White Brotherhood?

NT Yes, At one time I was one of them, but it was not working out.

JEF Do you have any more to say on that?

NT No

JEF You are able to report on their desires and wishes is that correct?

NT Yes

JEF Do you have naything more in the way of instructions concerning the foundation?

NT Yes. It will all work out because it is meant to.

JEF How do you think Mike will come along?

JF Will Mike be able to straighten out his family affairs?

NT Yes

JF Will the three of us (Mike, Chuck & JEF) succeed in freeing ourselves from everything except the foundation?

NT Yes

JF I know you are aware of the problems I must face in order to achieve that -- the sale of the ball club and a complete understanding in the upper councils of Fetzer Broadcasting Company which at the present time seems to be very elusive. What can you advise concerning these issues?

NT Be patient, they are being worked out.

JF Anything more on that? NT No.

JF How about Penny Miller. Will she work out?

NT Yes. She will be very helpful as time goes on. She will help when needed in the foundation.

JF What about Nancy?

NT She is going to help with equipment and auras on an individual basis.

JF What about John. What will he do?

NT He will be the guiding light.

JF How about the Coptic situation?

NT They will want to merge with your organization but this is not a good idea. You need complete freedom to do your work.

LD What about SUN?

NT This you can give support to. This will be important for Stage 6.

JF This will be sometime down the road.

NT Yes.

LD How many years? 25

JF In the future will Lloyd Swierenga fit into our program?

JF Does this suggest that Chuck get his Ph.D?

NT Yes

JF Is there any future possibility of the foundation working with the Inst. Of Holistic Medicine?

NT Yes

LD Under research and development?

NT Yes

JF Since the hospital no longer is going to support them financially, how will this Inst. continue to survive?

NT It will get outside funding.

JF Will it ever be self sustaining?

NT No

JF It would be asking too much for the Fetzer foundation to be the principal funding agent, do you agree?

NT Yes

JF What about a request for funding from us. What should be our attitude?

NT Be cautious, but be fair.

JF Will Dick Williams continue to be its guiding light?

NT Yes

NT Yes

JF He would continue to merit our support, is that correct?

NT Yes

JF Do you have anything else to advise us concerning these points?
